Dear Sir/Madam,

The Small Business Assistance Program (SBAP) of the Virginia Department of Environmental Quality (DEQ) is updating its Air Consultants Directory. The Directory is made available to small businesses and others to help them identify vendors of air consulting services.

Air-related services of interest include, but are not limited to, compliance auditing, permit application assistance, emissions modeling, air sampling and stack testing, air emissions engineering, ambient air monitoring, air pollution control and monitoring equipment services, and environmental management system consulting.

If your company provides services related to air pollution and air quality to Virginia clients, you are invited to complete and return the enclosed survey so that we may consider including your company in the directory.

Survey responses (or equivalent information provided electronically) and questions may be directed to:

Rodney Sobin  
SBAP--Air Division  
Virginia DEQ  
P.O. Box 10009  
Richmond, VA 23240-0009  
[rsobin@deq.virginia.gov](mailto:rsobin@deq.virginia.gov)  
tel. (804) 698-4382; fax (804) 698-4264

Also, please accept our apology if you receive multiple surveys or this survey is not pertinent to your business. We are using multiple sources to identify relevant service providers.

Sincerely yours,

Richard Rasmussen  
Director, SBAP
